

Continuing the work begun in Greece

Advanced Homeopathy Seminar in Hungary

with Rajan Sankaran

11–14 May 2027 · Dobogókő, near Budapest

Cardoner Hotel & Conference Center, in the Visegrád Hills

Together in Greece

Attendees at The Aegean Initiation, May 2026 — the seminar that inspired this continuation in Hungary.

Following the extraordinary response to our 5-day seminar in Greece — The Aegean Initiation — which was greatly appreciated by all who attended and widely felt to be the highest level of teaching yet, we are pleased to announce a proposal for a continuation of this work: an advanced homeopathy seminar in Hungary.

In Greece, Dr Sankaran shared some of his most advanced teaching to date, including his latest approaches to the 5 Finger Method and the Superclasses — the depth of which made it a truly special experience for participants. This seminar in Hungary will take that learning further, with the **5 Finger Method and Superclass approach** as its central focus.

The programme

This seminar in Hungary will focus purely on that clinical work.
